Comment progresser après ce corrigé

Si tu as hésité entre like et would like, refais l'exercice 4 en te demandant à chaque fois : est-ce un goût général ou une demande pour maintenant ? Entraîne-toi ensuite à l'oral : joue la scène du café avec un camarade en n'utilisant jamais « I want ». Enfin, relis tes productions écrites en vérifiant trois points : pas de -s à would, pas de to après would ni après rather, et un verbe à la base verbale.
