Comment progresser après ce corrigé

La plupart des erreurs viennent des participes passés irréguliers : apprends-les par petits groupes de cinq et teste-toi chaque jour. Ensuite, entraîne-toi à faire ta propre liste de choses faites et pas encore faites, comme Sam, avec already et yet. Enfin, pose à quelqu'un de ta famille cinq questions avec Have you ever...? : c'est en parlant de vraies expériences que le present perfect devient naturel.
