Comment progresser après ce corrigé

Si tu as laissé un verbe au passé après did (did you saw, didn't went), entraîne-toi avec une règle simple : un seul passé par phrase, et c'est did qui le porte. Écris dix questions sur la journée d'hier d'un membre de ta famille, pose-les-lui à l'oral en anglais, puis note ses réponses courtes. Enfin, mets à part les phrases avec was et were : ce sont les seules qui se passent de did.
